

# Fresh Strawberry Iced Tea

- strawberries
- sugar

1. Brew your favorite tea (try rooibos or green) and chill in fridge for a couple hours.
2. Carefully choose fresh local strawberries.
3. Slice and toss into a saucepan with equal parts sugar and water.
4. Simmer for about 20 minutes.
5. Gently strain the syrup through a fine mesh strainer.
6. Chill in the fridge for a couple of hours.
7. Add a few tablespoons (to taste) of your strawberry mixture to a glass of your fresh brewed iced tea!
